# How to Measure

## SLEEVE

With elbow bent, measure from the center (back) of neck to elbow and down to wrist.

## CHEST/BUST

Measure around your chest/bust, just under armpit.

## WAIST

Measure around waist at the smallest circumference.

## HIPS

Stand, feet together, and measure around the largest circumference at hips.

## HANDS

Measure around the fullest part of the hand, not including thumb.

## INSEAM

Take a pair of pants that fit well and measure from the crotch to bottom of leg. All pants come with a finished hem.

*Measurements refer to body size, not garment dimensions, and are in inches unless otherwise noted.*
