Multidrawer Accessories

Multidrawers are available with four base options to suit a variety of needs, depending upon whether required as free-standing storage or to support a desk. Plastic insert trays (available with up to 35 compartments) help the multidrawers work even harder, with the opportunity to compartmentalise all manner of items. They can be fitted into all Bisley multidrawer units with multiple-height versions available to match drawer heights.

Multidrawers

1. Castor base to go "mobile"

2. Low plinth as standard

3. Height-adjustable feet for perfect levelling

4. Insert trays

One of Bisley's first-ever products, the Multidrawers™ are as popular as ever, their neat design enhanced by a brilliant choice of colours – the brighter the better for the home environment for an injection of retro cool. Different drawer heights are available with multi-compartment insert trays for small items making it a sound solution for office storage and beyond. Where better to store stationery or the contents of the sewing kit?

The 29 series offers greater storage capacity than the 12 series, and can again be placed either on top of or under a work surface, with different drawer heights to choose from. A3 versions of the units are also available for yet more storage possibilities for home or office.

- Small part storage multi-compartment trays
- Label holder on every drawer
- Rubber 'feet' on desk mounted units
- Leveller base option
- Standard plinth for under desk use
- High plinth can be fitted to raise unit to support desks
- Castor base can be fitted
